

Hokkaido Multinational Senior Support Community Survey of Foreign Residents

You are invited to participate in the HMSC survey of foreign residents in Hokkaido.

Purpose:

- Ascertain the extent of language communication problems for those with medical issues
- Measure the interest of multinational residents to support one another at international community centers
- Promote development of international centers supporting multinational activities and events for seniors
- Help HMSC and Sapporo City establish priorities for support of all multinational residents and seniors in particular

Procedure:

- We appreciate if you are able to enter your text responses in English.
- Your email address is used to confirm receipt and send back your survey responses.
- If responses to required questions are not complete, it will ask you to try again.
- Google Chrome is recommended, especially for those using a mobile phone.
- The system allows you to go back and edit your responses and resubmit the survey.
- It should take 5-10 minutes to complete, depending on the number of comments.

Thank you for taking the time to participate. Feel free to share this with other multinational residents.
